Steps to Success

Getting to the Heart of IDEA

February 2027 Webinar Series

EACH DAY FROM 10AM-11AM

2-22: Parental Rights

This training explains the Parental Rights document provided to all families in the Missouri First Steps program and helps families understand their and their child's rights under Part C of the Individuals with Disabilities Education Act (IDEA).

2-23: Understanding the IFSP Process

This training helps families of children referred to or in the Missouri First Steps program understand the Individualized Family Service Plan (IFSP) process and how to be effective team members.

2-24: Making the Jump from IDEA Part C (infants and toddlers) to IDEA Part B (school-age)

This training helps families of young children transition from Missouri First Steps (Part C of IDEA) services to Early Childhood Special Education (Part B of IDEA) services. Learn when to begin preparing for transition, the differences between the services, and the changes in eligibility criteria.

2-25: Dispute Resolution Options under IDEA's Part C Early Intervention Program

This training provides families of infants and toddlers in Missouri's First Steps program with effective communication strategies and processes, along with an understanding of available dispute resolution options under Part C of IDEA, including informal complaints, mediation, child complaints, and due process, so they may address concerns collaboratively and productively.

2-26: Effectively Communicating Your Children's Needs

This training is designed to help families of young children who are new to working with caregivers and providers, offering guidance on how to communicate effectively about their child.
