Board of Directors

Greg Temm
Chair

Chris Unnerstall
Vice Chair

Tim Taylor
Treasurer

Marianne Dye
Secretary

Melba Hale
Sara McCroary
Daniel Mellenthin

Dear Potential Board Member,

MPACT (Missouri Parents Act) is looking for enthusiastic individuals to help develop a diverse community-based board of directors. We seek members with a broad variety of backgrounds, ethnicities and experience, people with disabilities, parents of children with disabilities, people with experience with other children's issues, people simply interested in child education, people with fundraising expertise, business professionals, and educators.

MPACT is a Missouri statewide, non-profit parent training information center, which provides special education training workshops and disseminates information and resources about such education, and provides one-on-one advocacy coaching and mentoring through an extensive, statewide network of parent volunteers who are supported by MPACT staff. MPACT is funded primarily through grants from the United States Office of Special Education Programs and the Missouri Department of Elementary and Secondary Education.

Through its programs and collaboration with other agencies, MPACT empowers thousands of Missouri families to become more involved in their children's education, to participate in team efforts to improve the quality of children's education, and to enable the self-sufficiency of children who otherwise would have become dependents of the State.

Please review the enclosed Board Member Application Packet to understand what we do and what your responsibilities as a board member will be. We are a working board!

Empowering families to advocate for themselves so that children with special educational needs can reach their full potential in education and life – through support, training and education.

If you are interested in a rewarding position that improves the educational opportunity for children with disabilities, this is the place for you! If you have any questions or would like to learn more about this position, visit our website: www.missouriparentsact.org or contact the MPACT Board at board@missouriparentsact.org.

Thank you for your interest.

Greg Temm

Chairperson
MPACT Board of Directors

Empowering families to advocate for themselves so that children with special educational needs can reach their full potential in education and life – through support, training and education.

Executive Summary

About Us

MPACT is a statewide, nonprofit organization that empowers thousands of Missouri parents to become more involved in their children's education, to participate in team efforts to improve the quality of children's education, and to enable the self-sufficiency of children with disabilities.

We have two core programs: the Parent Training and Information Center, which provides special education training workshops and information and resource dissemination, and the Parent Mentor Program, which provides one-on-one advocacy, coaching and mentoring through an extensive network of volunteers, supported by MPACT staff. We are funded through grants from the United States Office of Special Education Programs and the Missouri Department of Elementary and Secondary Education.

Target Audience and Services

Our primary goal is to assist parents in their efforts to advocate effectively for their children's educational rights and services. Located throughout Missouri, MPACT staff and volunteers work with individual families, parent groups, public and private agencies, professional organizations, schools and school districts and advocacy groups to achieve that goal.

We provide training sessions on a variety of subjects throughout Missouri, throughout the year. We maintain up-to-date information and training opportunities online as well.

All MPACT materials, training, support and mentoring services are provided FREE of charge.

Board Member Expectations

Thank you for your interest in serving the MPACT Board of Directors. Here we outline some of the current requirements and expectations of board members. MPACT Board Members must reside in Missouri.

Training and Education

There are a number of areas where a new member may not have expertise when they join our board. Our Orientation Packet will seem unmanageable at first! But there will be training and support for new members as they become accustomed to our policies, procedures, many acronyms, and laws governing our provision of services and laws governing how our board must operate. Also – we are a friendly, welcoming bunch – so questions are always welcome.

Quarterly Board Meetings & Retreats

We conduct four meetings per year, generally in Jefferson City or via a virtual meeting. Each meeting is approximately four hours long. Once a year, in connection with a regular board meeting, the board has a retreat, involving an overnight stay, at which we work as a team on long- term planning, board education and other time-intensive activities. Reimbursement for mileage is available.

We conduct a number of meetings throughout the year electronically. These may be planned well in advance, for conferring and voting on live issues between quarterly meetings, or may be on much shorter notice, as circumstances arise requiring the board's attention. In addition, internal board committee meetings often are online.

Absence of any two consecutive absences from meetings or any two absences within the same year without prior notice to the board Secretary or MPACT Executive Director will trigger a review by the Governance Committee.

Committees

Each board member must serve on at least one standing committee, and volunteer to participate on *ad hoc* committees as the need arises. MPACT's standing committees are the Executive Committee, the Internal Affairs Committee, the External Affairs Committee and the Governance Committee. Each committee carries ongoing responsibilities described in the by-laws and MPACT's strategic plan.

Fundraising

The MPACT Board of Directors is responsible for all fundraising outside of our state and federal grants. We are new to these activities, but with a new fundraising plan, we are looking to really grow in skill, efficiency and results! Each board member is expected to participate in and attend each fundraising event.

Each board member must make a personal financial contribution to MPACT in an amount that is meaningful to them and demonstrates commitment to MPACT's mission.

Other time commitments

In addition to formal meetings, each board member is expected to spend time between meetings completing research on committee tasks, assigned tasks, supporting fundraising efforts, self-education on special education issues and laws or on other general nonprofit board issues.

Other Details

We expect our board members to advocate the mission of MPACT in the community!

Board Members serve a term of three years, with an option of renewal for another three-year term. After two terms, a board member must leave the board for at least one year, after which the member may reapply for board service.

Questions?

Please contact us with any questions you have after reviewing the materials in this packet and the MPACT webpage at www.missouriparentsact.org.

The board can be contacted by emailing board@missouriparentsact.org.

MPACT BOARD OF DIRECTORS APPLICATION

Name: _____

Address: _____

Contact Information:

Phone #s (Home): _____ (Work): _____

(Cell): _____

(Fax): _____ (e-mail): _____

Please describe your past and present experiences and expertise you believe are relevant or helpful to serving as a member of the MPACT Board of Directors:

Why are you interested in serving on this board?

Empowering families to advocate for themselves so that children with special educational needs can reach their full potential in education and life – through support, training and education.

Have you had contact with MPACT before (received assistance, attended training, made a donation, or volunteered)? If so, please describe that experience:

Do you have previous Board experience? If so, please describe that experience (types of projects, executive positions, accomplishments, teamwork, or unique skills):

Please list other Boards that you have served on past in the past or serve on now (including periods of service):
